## **WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

## **WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

## **USE OF UNOFFICIAL PRODUCT:**

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

## **HANDLING YOUR PLAYSTATION DISC:**

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

## PLAYING *ALL STAR RACING 2*

Once the game has loaded you will be presented with the **Main Menu**. You have the choice of either entering the game or adjusting the game settings by using the directional buttons and press  button to confirm your selection.

**START** – This will take you to the game mode screen.

**OPTIONS** – From here the player can customize the options for the game.

- **Difficulty** – Choose the level of your opponents from EASY to HARD.
- **Laps** – Choose the length of the race. The number of laps ranges from a sprint of 3 laps to an endurance race of 15 laps.
- **Music Volume** – Here you can alter the volume of music that is played during the game. This can be set anywhere between 0 – 10 using the directional buttons.
- **SFX Volume** – Here you can alter the Effects Volume of the game. This can be set anywhere between 0 – 10 using the directional buttons.
- **Center Screen** – This screen allows you to center the display using the directional buttons.
- **Vibration** – This allows you to toggle the vibration of the DUALSHOCK® analog controller ON/OFF using the directional buttons.

## STARTING THE GAME

There are four game modes in **All Star Racing 2**: Motorbikes, Karts, Grand Prix cars, and Trucks. Select the game mode you wish to enter by using the directional buttons and press the  button to confirm your selection.

After you have selected the game mode you will need to enter your name. This will be recorded with any lap records that you achieve when playing the game. To enter your name use the directional buttons to highlight the letter you require and press the  button. You can erase letters by selecting 'DEL' and pressing the  button. When you have finished inputting your name highlight the '↵' button and press the  button.

After you entered your name you will be taken to the track selection screen. Here you will be able to choose from five tracks to race on. Use the directional buttons to select the track you wish to race, press the  button to confirm your selection.

After the track selection you will need to decide which team to ride/drive for. Use the directional buttons to move through the teams and press the  button to confirm your choice.

The game will now enter you into the race on the track of your choice. Once the track has loaded you will start at the back of the grid against five other competitors.

Your aim is to finish in 1st place.

Once the race is finished your position will be shown on the results screen. If all the other competitors cross the line before you do then control will be taken away from your vehicle and the results screen will be displayed. Pressing the **START** button will skip the results screen. After the results screen you will be taken back to the track selection screen to enter another race.
