WARNING:

READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

Use of Unofficial Product:

The use of unofficial product or peripherals may damage your PlayStation game console and invalidate your console warranty.

HANDLING YOUR PLAYSTATION DISC:

- ↳ This compact disc is intended for use only with the PlayStation game console.
- ↳ Do not bend it, crush it, or submerge it in liquids.
- ↳ Do not leave it in direct sunlight or near a radiator or other source of heat.
- ↳ Be sure to take an occasional rest break during extended play.
- ↳ Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

This product has been rated by the Entertainment Software Rating Board. For information about the ESRB rating, or to comment about the appropriateness of the rating, please contact the ESRB at 1-800-771-3772.

SET PIECES

Set Pieces are pre-arranged tactical plays that a team uses in dead ball situations such as Free Kicks, Corner Kicks and Throw-ins. In *FIFA 2001 Major League Soccer*, three players are highlighted with Icon Attack icons and perform special runs when the specific Set Piece begins.

To change Set Pieces during a match:

1. Press **SELECT** to activate the Set Piece countdown. When the Set Piece indicator stops flashing and goes solid, the Set Piece begins.
2. Now choose a player using the Icon Attack buttons.

To defend against a Set Piece:

- When the Set Piece begins, choose an opposing player to double team using the Icon Defense buttons. But be careful, picking the wrong player can leave your defense dangerously exposed!

INTERMEDIATE CONTROLS

After you've mastered the basic controls, move on these controls to take your game to the next level.

SHOOTING

- To target different areas of the net, press the D-Button ↑ to shoot high. Press the D-Button ↓ to drive a low hard shot into the net.

PASSING

HEADING

Header on goal

Hold ●

Head the ball to a teammate's chest

Hold ■

Head the ball to a teammate's feet

Hold X

EA TIP: The earlier you attempt a header the better. Press the D-Button to pick a receiver. If you're heading on the goal, press the D-Button to target a specific area within the net.

VOLLEYING

Volley or Bicycle Kick Shot

Double tap ●

Volley to a teammate's chest

Double tap ■

Volley to a teammate's feet

Double tap X

EA TIP: Volleying requires more time and space than heading. A header connects with an airborne ball before a volley, but a successful volley has far more power behind it!

ADVANCED CONTROLS

Master these commands and you control the pitch, the match, and your destiny.

ONE TOUCH TECHNIQUES

Tap the appropriate button while the ball is loose or being passed to perform the following moves:

One-Time Lob	■
One-Time Pass	×
One-Time Through Pass	L1

IN-GAME MANAGEMENT (IGM)

Change a team's formation, strategy, and during play to one of three settings you've created (IGM #1–IGM #3). Once you press **SELECT** to activate a formation and strategy that setting remains until another is activated or a new game is started.

To change IGM during a match:

- ➔ Press **SELECT** to activate the next In Game Management setting. (For instance, if IGM #1 is active, press **SELECT** once to run IGM #2 or twice to run IGM #3. Pressing the SELECT button a third time returns you to IGM #1).

To program custom In Game Management settings for Formation and Strategy:

1. Select TEAM MANAGEMENT from the Pause menu, then select IGM.
2. You can adjust Formation and/or Strategy for each In-Game Management setting (IGM 1, 2 and 3).
3. Modify the settings to suit your preferences.

NOTE: Your team starts the game with IGM # 1 active.

EXHIBITION

In Exhibition Mode, match up your favorite MLS or International team against any other team in a friendly exhibition match.

Setting Up an Exhibition Match:

1. From the Game Modes screen, select EXHIBITION.
2. At the Exhibition Team Select screen, press the D-Button \leftrightarrow to cycle through the various leagues and teams to select your desired team. Press the D-Button \updownarrow to move between league and team bars.
3. When both teams are selected press **START** to proceed.
4. At the Exhibition Side Select screen, press the D-Button \leftrightarrow to place the controller icon next to the team you wish to play as.
5. When you've selected a side (or, for two or more player games, when all players have selected a side), press **START**. The game loads and the match begins.

TOURNAMENTS

Play your way through a selection of some of the world's toughest cup competitions. Win the tournament and the World Cup, EEC or EFA Trophy is yours.

SEASON

Pick your favorite club team from one of 15 available leagues. Play through a full season and try and win the League, the Cup or the European Cup.

\rightarrow Press the D-Button to toggle the available leagues and teams.

TRAINING

Hone your skills in Training before taking on the big teams in the other modes. Select a team and practice Penalties, Corners, Free Kicks and Throw-ins. You can also set up and play a Training Match.

CUSTOM CUP

Create your very own Custom Cup with your own customized playoff system.

To create a Custom Cup:

- Select PLAYOFF to create your own customized Playoffs. Choose teams from any of *FIFA 2001 Major League Soccer's* supported leagues or a selection of International or 'Rest of World' teams. Playoff can be played with 4, 8, **16** or 32 teams.
- Select LEAGUE + PLAYOFF to create your own league stage followed by a Playoff stage. Select the number of groups and how many teams advance from each group into the next stage, as well as several other options. This format can be played with 4, 8, **16**, 24 or 32 teams.

NOTE: The Auto Select button may be used to instantly select any remaining teams.

NOTE: *FIFA 2001 Major League Soccer* supports up to eight players.

CUSTOMIZE

PLAYER EDIT

Change the appearance and skills of the players on your team. You can change player names, player positions, customize player appearances, or adjust eight player skills to create a player who excels in his position.

TEAM EDIT

Change the appearance of the your team's uniform. You can edit the shirt, shorts or socks. You can also change both the pattern and the colors.

TRADES

Shock the world and trade star players from team to team.

To trade a player from one team to another:

1. Press the D-Button  to select the teams you wish to transfer a player between.

2. Press the D-Button \updownarrow to highlight the SELL PLAYER field of the selling team (the other is the purchasing team). Press the D-Button \leftrightarrow to scroll through the Team List.
3. With the player's name highlighted in the squad list, select SELL PLAYER. A prompt appears asking you to confirm the Transfer. Select **YES** to continue or NO to cancel.

SAVING CUSTOMIZED PLAYERS AND SQUADS

1. Press \bullet to access the Icon Menu Bar.
2. Highlight the Save Changes icon, and press \times to save your changes.

 **NOTE:** If you want to permanently customize players or squads, you must do so before entering a game mode and save the changes you make.

❖ If saved player and squad settings are detected on your MEMORY CARD in MEMORY CARD slot 1, they are auto-loaded on boot-up.

TEAM MANAGEMENT

Control every aspect of your team's performance with Team Management.

 **NOTE:** Changes made from the Game Modes screen are applied in all game modes. Any team changes made in Season, Tournaments or Custom modes are specific to those competitions and are saved automatically when the respective game is saved. Changes made from the Pause menu are reset after a game is finished.

STARTING LINEUP

Adjust your starting lineup for that perfect match up.

To change the starting lineup or substitute players:

1. Press the D-Button \updownarrow to highlight the name of the first player that you wish to swap and press \times .

- 2.** Highlight the name of the second player you wish to swap (the first name remains highlighted) and press **X**. The two players are swapped. Note their status in the roster has changed.
