WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNOFFICIAL PRODUCT:

The use of unofficial product or peripherals may damage your PlayStation game console and invalidate your console warranty.

When shooting, lobbing, or passing, a power meter appears at the bottom of the screen. Keep the appropriate button pressed to increase power (for speed and distance) and release when the meter has filled. If the meter reaches the red zone, your effort is more likely to be off target when shooting. Press the left analog stick to aim—the ball travels in that direction when you release the button.

NOTE: Passing, Lobbing, and Shooting meters are only used when Expert Passing and Expert Shooting are ON. Press the left analog stick or D-button to aim:

- ❖ Aim to the left/right of the net to shoot left/right.

PASSING

- ▷ Press the  button to pass. The ball is passed in the direction the ball carrier is facing.
- ▷ Press the  button to play a through ball. The ball is passed towards a teammate—or the run of a teammate—in the direction the ball carrier is facing.
