GUNDAM BATTLE ASSAULT 2

WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation® game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation® game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION DISC:

- This compact disc is intended for use only with the PlayStation® game console.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

In this game, you can experience several Gundam Universes!

In Future Century 61, Domon Kasshu is on a quest to find his brother. With an array of Gundam fighters in his path, Domon must combat his brother, who has been infected with evil DG Cells.

Heero Yuy is back with all the Gundam customs from Gundam Wing Endless Waltz. Can they put an end to Treize Khushrenada's evil plans?

Use Amuro Ray to fight the popular mobile suits of Universal Century 0079. Take Gundam RX-78 to its limits to stop Char "The Red Comet" Aznable and the Principality of Zeon!

Get ready for the ultimate in Gundam fighting action!!
