WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNOFFICIAL PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your console warranty. Only official or licensed peripherals should be used in the controller ports or MEMORY CARD slots.

HANDLING YOUR PLAYSTATION DISC:

- ➔ This compact disc is intended for use only with the PlayStation game console.
- ➔ Do not bend it, crush it, or submerge it in liquids.
- ➔ Do not leave it in direct sunlight or near a radiator or other source of heat.
- ➔ Be sure to take an occasional rest break during extended play.
- ➔ Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

This product has been rated by the Entertainment Software Rating Board. For information about the ESRB rating, or to comment about the appropriateness of the rating, please contact the ESRB at 1-800-771-3772.

STARTING AN EXHIBITION GAME

Your Super Bowl™ run begins in Exhibition mode.

To Start an Exhibition game:

1. From the Main menu, select Exhibition and press the **X** button. The Team Select screen appears.
 2. Select the Home and Away teams and press the **START** button or the **X** button (or press the **●** button to select a different stadium, the time of day, and weather conditions). The Controller Select screen appears.
 3. To select a team to control, press the D-Button \leftrightarrow and position the controller icon next to your desired team. Press the **START** button to begin the game (or press the **X** button to access User Options).
- ◆ In the User Options screen, you can choose a playbook, activate a User Profile (► p. 16), select an alternate uniform, select the number of Mulligans per game, activate Madden Cards (► p. 17) and adjust your controller configuration.

NOTE: Up to eight players can play *Madden NFL 2002* using one or two Multitaps. A different colored icon appears for each connected controller.

Offensive Set/
Formation/Play Windows

To select a play:

- 1.** Press the D-Button \updownarrow to select a formation (press the D-Button \leftrightarrow to scroll through the sets of the formation). Once you have the desired formation and set, press the \times button.
 - 2.** A list of three plays appears. Press the D-Button \leftrightarrow to scroll through the available plays and then press the \blacksquare button, the \times button, or the \bullet button to select the desired play.
- \rightarrow To call a play from the header below the selection window, press the **L2** button + the \blacksquare button, the \times button, or the \bullet button. Use this strategy to fake out a competitor who is sneaking a peek at your selected play.
 - \rightarrow To go back to the previous window, press the \blacktriangle button. To flip offensive plays (change the formation to the opposite side of the field), press the **R1** button.
 - \blacklozenge After each play, the offense has 40 seconds (25 after penalties and timeouts) to select a play before a delay of game penalty is called. The defense has five seconds to choose a play after the offense is ready to break the huddle.

OFFENSIVE TIPS

- \rightarrow To throw a bullet pass, hold down the button that corresponds to the targeted receiver. To lob a pass, tap the button.
- \rightarrow To run a hurry-up offense, hold the \times button immediately at the end of the play (after the whistle blows). The offense skips the huddle, hurries to the line of scrimmage, and repeats the previous play. If you want your quarterback to spike the ball, hold the \bullet button at the end of a play to run a stop clock play.
- \rightarrow If your quarterback is under heavy pressure, press the \blacktriangle button while he's still behind the line of scrimmage and scramble for yardage. During your run, you can press the \blacktriangle button again to bring up the passing symbols. However, once your QB passes the line of scrimmage, he's not allowed to throw the ball downfield.
- \rightarrow To throw a route-based pass, hold the **L2** button plus the button of the receiver you want to throw to and the QB will lead the receiver while he's running his route.

PAUSE MENU

When the action on the field is getting too hot to handle, pause the game and take a break.

- \rightarrow During the game, press the **START** button to reach the Pause menu.

NOTE: The Pause menu options are self-explanatory except for those explained below.

MULLIGANS: Use one of your "do-over" Mulligans during a game. When put to use, the previous play is erased and the play starts over again. However, one of your three time outs is taken away.

SUBSTITUTIONS: Make lineup and player substitutions or re-arrange the depth chart.

DEPTH CHART: Re-arrange the depth chart for all positions.

- ➔ Press the **R2** button/**L2** button to toggle player positions.
- ➔ To reorder the depth chart, scroll through the available players.
- ➔ To sub out a highlighted player, press the **X** button. From the reserves list, press the **X** button again to sub in the selected player.

OFFENSIVE/ DEFENSIVE FORMATION: Select individual players assigned to each formation.

- ➔ To cycle through the various formations/sets, press the **R1** button/**L1** button.
- ➔ To cycle through player positions, press the **R2** button/**L2** button.
- ➔ To sub in the highlighted player from the "Sub In" list, press the **X** button.

AUDIBLES: Select your play audibles on both sides of the ball.

- ➔ Select OFFENSE or DEFENSE.
- ➔ Press the D-Button to highlight a play window and press the **X** button. The cursor moves down to the Playcalling screen.
- ➔ From the Playcalling screen, select a new play, press the **X** button and the new audible is set with its respective play button.

USER CAMERA: Create a new camera angle for pre-play, normal, and passing situations.

GAME MODES

Take on the league in one of these game modes: Season, Franchise, and Custom League. Or see *Other Game Modes* on p. 13 for more options.

SEASON

Make a run for the Super Bowl by playing in a 16-game NFL season.

NEW SEASON

- ➔ To begin a new season, select SEASON from the Main menu. After selecting New from the Setup box, adjust your pre-league settings (➤ below) and press the **X** button for the Team Select screen.

SEASON SETUP MENU

CREATED TEAMS: Play in a league that includes created teams (➤ p. 16).

ROSTERS: Play with a default team rosters, modified rosters, or run a Fantasy Draft (➤ p. 11).

Mod. Divisions: When ON, re-align the six NFL divisions and play a Custom Season.

TEAM SELECT SCREEN

Place a check mark in the box of the team(s) that you would like to control during the season by pressing the **X** button. When finished, press the **START** button to advance to the Season screen.

PLAY WEEK MENU

PLAY WEEK: From the Play Week menu, you can play or simulate (CPU plays the game) on the schedule. To play a game, highlight the match-up and press the **X** button. A checkmark appears. Press the **START** button to reach the Controller Screen (You can simulate games by pressing the **START** button next to a match-up without a checkmark).

NOTE: To spawn a game to your memory card, highlight the game and press the **●** button. When you spawn a game from within a Season, Custom League, or Franchise, that game can then be played separately and the results merged back in to the original Season, League or Franchise. ➤ *Spawning a Game* on p. 19 for more information.

FANTASY DRAFT

If you are playing a Season with this option ON, you can draft players to your team roster by selecting individuals available from a pool from every NFL roster.

- To draft a player, highlight a name from the player pool and press the **X** button to add him to your roster (to toggle player positions, press the **L1** button/**R1** button). The CPU runs the draft for non-controlled teams.
- Press the **START** button any time during the draft and the CPU simulates the remainder of the player selections.

AFTER THE SEASON

After the regular season ends, the playoffs begin. If your selected team(s) fails to make the post-season, you can play or simulate any of the remaining games on the schedule.

FRANCHISE

In Franchise mode, you play General Manager and Head Coach. Trade and draft players, negotiate player contracts, and then guide your team all the way to the Super Bowl.

NOTE: Franchise mode is similar to Season. Refer to Season section to learn more about the Set up menu, Play Week menu and Fantasy Draft.

PLAYING A FRANCHISE GAME

- To begin playing in Franchise mode, select Franchise from the Main menu and press the **X** button.

To add a new coach:

1. Before you play a game, you must select a coach to run the team. From the Coach setup menu, scroll and highlight a coach and press the D-Button **↔** until HUMAN appears. You can also select NEW to create a new coach. Press the **START** button to accept.

◆ **EDIT COACH:** The Edit Coach feature allows you to change the strategy of a coach. You can also get them involved with the off-season tasks.

2. Select a team to run and press the **START** button. The Play Week menu appears.

POST-SEASON MANAGEMENT

After a season, focus your attention on the future. Rebuild or stock up your team through the draft and by signing key free agents for the following season.

POST-SEASON OPTIONS MENU

➔ To begin post-season transactions, press the **START** button after the Pro Bowl has been played. The Franchise Options menu appears. Self-explanatory options have been omitted.

SEASON PROGRESSION: Compare a player's attributes from season to season.

RE-SIGN PLAYERS: Negotiate contracts with players from your own team.

➔ To begin contract negotiations, highlight an unsigned player and press the ✕ button. Offer a salary and press the ✕ button to submit the offer sheet. The player either accepts or declines the offer.

TRADE PLAYER: Put players from your team on the market to see what other teams will offer you, based on your team needs.

CREATE-A-PLAYER: Create a custom player and assign him to a team, or add him to the free agent list.

FREE AGENT SIGNING: Before the draft you have a 45-day period to sign available free agents.

You must fit all your players under the salary cap (For more information about bidding on a player, ➤ *To Bid on a Player* below).

START NFL DRAFT: Begin the seven-round rookie draft. Each team selects one player per round. If you simulate the draft at any time, your team loses its remaining picks.

◆ You may be able to select more than one player per round if you have traded players for draft picks.

➔ To select a player, press the ✕ button. To simulate the draft at any time, press the **START** button.

DRAFT PICK SIGNING: After the draft, you must sign your draft picks to your roster.

PRE SEASON: Choose your teams to play a four game schedule.

MANAGE ROSTERS: Allows for modification of the roster before the pre season.

PRE SEASON PROGRESSION: Compare a player's attributes after the pre-season is completed.

To bid on a player:

1. Press the ✕ button to switch to the player list, then highlight a player to sign and press the ✕ button.

2. Select a salary and length of contract, then submit an offer. The player accepts or rejects the offer.

◆ The team name appears by the player's name in the player list when he accepts your offer.

- ◆ You can start the bidding or outbid another team by offering more than the current offer. After a player signs with a team, the bidding is over.

CUSTOM LEAGUE

Set up your own custom league of four to eight teams and watch them battle for the championship.

In terms of setup, Custom League is similar to a Season.

To start a Custom League:

- 1.** Press the **X** button to proceed to the League Setup screen after you have finished entering your choices at the Custom League Setup Box.
- 2.** Press the D-Button \leftrightarrow to choose a team for a highlighted player.
- 3.** Press the D-Button \updownarrow to change the highlighted player.
- 4.** Press the **X** button to enter the highlighted player's name.
- 5.** Press the **START** button to advance to the Custom League Main menu when you're finished entering all player information.

NOTE: Never insert or remove a memory card when loading or saving files.

To save a file:

1. From the Main menu, select MEMORY CARD to get to the Load/Save Game screen.
➔ Press the **R1** button/**L1** button to switch between MEMORY CARD slots. Press the **R2** button/**L2** button to change file types.
2. Highlight SAVE NEW or OVERWRITE and press the **X** button.

NOTE: You need to select a file and press the **X** button a second time when using OVERWRITE.

To load a file:

1. From the Main menu, select MEMORY CARD to get to the Save/Load Game screen.
➔ Press the **R1/L1** buttons to switch between MEMORY CARD slots. Press the **R2** button/**L2** button to change file types.
2. Highlight LOAD and press the **X** button to toggle to the list of saved files.
3. Choose your game to load and press the **X** button.

SPAWNING A GAME

Take one game from a multiplayer Custom League, Franchise, Season, or Tournament, and save it to a memory card to play separately on a different PlayStation game console and without the other player(s). The results can then be merged back into the original format.

- ➔ To spawn a game in Season or Franchise, press the **●** button at the Play Week screen.
- ➔ To spawn a game in a Tournament or Custom League, press the **X** button to bring up the Options pop-up menu and then choose SPAWN from the list of options.

To load a spawned game:

1. Select MEMORY CARD from the Main menu and toggle to SPAWNED GAME. Press the **X** button and the Controller Select screen appears.
2. Begin the game like you would in any game mode.
3. After the game is complete, save the spawned game again.

LIMITED 90-DAY WARRANTY

ELECTRONIC ARTS™ LIMITED WARRANTY

Electronic Arts warrants to the original purchaser of this product that the recording medium on which the software program(s) are recorded (the "*Recording Medium*") and the documentation that is included with this product (the "*Manual*") are free from defects in materials and workmanship for a period of 90 days from the date of purchase. If the Recording Medium or the Manual is found to be defective within 90 days from the date of purchase, Electronic Arts agrees to replace the Recording Medium or Manual free of charge upon receipt of the Recording Medium or Manual at its service center, postage paid, with proof of purchase. This warranty is limited to the Recording Medium containing the software program and the Manual that were originally provided by Electronic Arts. This warranty shall not be applicable and shall be void if, in the judgment of Electronic Arts, the defect has arisen through abuse, mistreatment or neglect.

This limited warranty is in lieu of all other warranties, whether oral or written, express or implied, including any warranty of merchantability or fitness for a particular purpose, and no other representation of any nature shall be binding on or obligate Electronic Arts. If any such warranties are incapable of exclusion, then such warranties applicable to this product, including implied warranties of merchantability and fitness for a particular purpose, are limited to the 90-day period described above. In no event will Electronic Arts be liable for any special, incidental, or consequential damages resulting from possession, use or malfunction of this Electronic Arts product, including damage to property, and to the extent permitted by law, damages for personal injury, even if Electronic Arts has been advised of the possibility of such damages. Some states do not allow limitation as to how long an implied warranty lasts and/or exclusions or limitation of incidental or consequential damages so the above limitations and/or exclusion of liability may not apply to you. In such jurisdictions, the Electronic Arts' liability shall be limited to the fullest extent permitted by law. This warranty gives you specific rights. You may also have other rights that vary from state to state.

RETURNS WITHIN THE 90-DAY WARRANTY PERIOD

Please return the product along with (1) a copy of the original sales receipt, showing the date of purchase, (2) a brief description of the difficulty you are experiencing and (3) your name, address and phone number to the address below and Electronic Arts will mail a replacement Recording Medium and/or Manual to you. If the product was damaged through misuse or accident, this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period. We strongly recommend that you send your product using a traceable delivery method. Electronic Arts is not responsible for products not in its possession.

RETURNS AFTER THE 90-DAY WARRANTY PERIOD

If the defect in the Recording Medium or Manual resulted from abuse, mistreatment or neglect, or if the Recording Medium or Manual is found to be defective after 90 days from the date of purchase, please return the product along with (1) a check or money order for \$15.00 made payable to Electronic Arts, (2) a brief description of the difficulty you are experiencing and (3) your name, address and phone number to the address below, and Electronic Arts will mail a replacement Recording Medium and/or Manual to you. We strongly recommend that you send your product using a traceable delivery method. Electronic Arts is not responsible for products not in its possession.
