WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—**IMMEDIATELY** discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNOFFICIAL PRODUCT:

The use of unofficial product or peripherals may damage your PlayStation game console and invalidate your console warranty.

HANDLING YOUR PLAYSTATION DISC:

- ❖ This compact disc is intended for use only with the PlayStation game console.
- ❖ Do not bend it, crush it, or submerge it in liquids.
- ❖ Do not leave it in direct sunlight or near a radiator or other source of heat.
- ❖ Be sure to take an occasional rest break during extended play.
- ❖ Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

This product has been rated by the Entertainment Software Rating Board. For information about the ESRB rating, or to comment about the appropriateness of the rating, please contact the ESRB at 1-800-771-3772.

SETTING UP THE GAME

From the Main menu choose the game mode you want to play, or access a variety of options for pre-game adjustments.

MAIN MENU

Game Mode: Play an **Exhibition** game, create a Season, operate a Franchise, set up a Custom League, run a Tournament, practice in Coaches Corner, create a Situation, run the Two Minute Drill, or jump back to the past and play in Madden Classic mode (> *Other Game Modes* on p. 13).

Custom Options: Manage User Profiles, create a team, modify rosters, and edit plays (> *Custom Options* on p. 16).

Madden Cards: Check out your challenge status, and view and trade cards (> *Madden Cards* on p. 17).

NFL Record Book: View individual, team, coaching, and Super Bowl records.

Settings: Adjust gameplay options, customize AI, set sound options, and more (> *Settings* on p. 18).

Memory Card: Save, Load, and Delete files (> *Memory Card (Saving and Loading)* on p. 19).

EA SPORTS™: View the game credits and see the *Madden Bowl 2003™* champion.

NOTE: Default options are listed in **Bold** in this manual.

STARTING AN EXHIBITION GAME

Play an exhibition game against live competition to play a game without taking a hit in the standings.

TO START AN EXHIBITION GAME:

1. From the Main menu, select Exhibition and press the **X** button. The Team Select screen appears.
2. Select the Home and Away teams and press the **START** button or press the **X** button to proceed to the Controller Select screen.
 - ❖ Press the **Y** button to access the Stadium Select screen where you can select a different stadium, change the time of day, or modify weather conditions.
 - ❖ Press the **R1** button (Home) or the **L1** button (Away) to randomly select a current NFL team. Press the **R2** button (Home) or the **L2** button (Away) to randomly select any available team.
3. To select a team to control, press the D-button \leftrightarrow and position the controller icon next to your desired team. Press the **START** button to begin the game (or press the **X** button to access the User Options for that team).
 - ❖ In the User Options screen, you can choose a playbook, activate a User Profile (\triangleright p. 16), select an alternate uniform, select the number of mulligans per game, activate and risk Madden Cards (\triangleright p. 17), and adjust your controller configuration.

NOTE: Up to eight players can play *Madden NFL 2004* using two Multitaps. A different colored icon appears for each connected controller.

NOTE: You must have a User Profile activated to enable Madden Challenge.

ON THE FIELD

Learn the intricacies of calling plays and tweak your play style to perform better under pressure.

PLAYCALLING

TO SELECT A PLAY:

1. Press the D-button \updownarrow to select a formation (press the D-button \leftrightarrow to scroll through the formation sets when available). Once you have the desired formation and set, press the \times button.
2. A list of three plays appears. Press the D-button \updownarrow to scroll through the available plays and then press the \blacksquare button, the \times button, or the \bullet button to select the desired play.
 - To call a play from the header below the selection window, press the **L2** button + the \blacksquare button, the \times button, or the \bullet button. Use this strategy to fake out a competitor who is trying to sneak a peek at your selected play.
 - To go back to the previous window, press the \blacktriangle button. To flip plays (change the formation to the opposite side of the field), press the **R1** button.
- ❖ After each play, the offense has 40 seconds (25 seconds after penalties and change of possession) to select a play before a delay of game penalty is called. The defense has five seconds to choose a play after the offense is ready to break the huddle.

TIPS ON OFFENSE

- To throw a bullet pass, hold down the button that corresponds to the targeted receiver. To lob a pass, tap the button.
- To run a hurry-up offense, press and hold the \times button immediately at the end of the play (after the whistle blows). The offense hurries to the line, and repeats the previous play. If you want your QB to spike the ball to stop the clock, press and hold the \bullet button at the end of a play.
- If your QB is under heavy pressure, press the \blacktriangle button while he's still behind the line of scrimmage to lower the passing icons and scramble for yardage. During your run, you can press the \blacktriangle button again to bring up the passing icons. However, once your QB passes the line of scrimmage, he's not allowed to throw the ball downfield.
- To throw a route-based pass, press and hold the **L2** button plus the button of the receiver you want to throw to and the QB leads the receiver while he's running his route.

GAME SCREEN

- If your controlled player is off-screen, an arrow the same color as your control star points toward him from the edge of the screen. Press the D-button in the opposite direction of the arrow to bring the player back into view.

PAUSE MENU

- During the game, press the **START** button to take a break and access the Pause menu.

NOTE: The Pause menu options are self-explanatory except for those explained below.

MULLIGANS: Use one of your “do-over” mulligans during a game to erase the previous play and repeat it. However, you lose one of your three time outs.

SUBSTITUTIONS: Make lineup and player substitutions or re-arrange the depth chart.

Depth Chart: Re-arrange the depth chart for all positions.

- Press the **L2** button or the **R2** button to toggle player positions.
- Press the D-button  to highlight the player you want to reorder or remove and then press the  button. The cursor moves to the bottom field.
- Press the D-button  to highlight the player you want to sub in and then press the  button.

Offensive/ Defensive Formation: Select individual players assigned to each formation.

- To cycle through the various formations/sets, press the **L1** button or the **R1** button.
- To cycle through player positions, press the **L2** button or the **R2** button.
- Once the position that you want to change is selected, press the  button. The cursor moves to the bottom field.
- To sub in the highlighted player from the “Sub In” list, press the  button.

AUDIBLES: Select your audibles on both sides of the ball.

- Select OFFENSE or DEFENSE.
- Press the D-button to highlight a play window and press the  button. The cursor moves down to the Playcalling screen.
- From the Playcalling screen, select a new play, press the  button and the new audible is set to the respective button.

USER CAMERA: Create a new camera angle for preplay, rushing, and passing situations.

GAME MODES

Play out a full season, run your own franchise, or customize a league. > *Other Game Modes* on p. 13 for more options.

SEASON

Battle for a Super Bowl ring in a single 16-game NFL season.

SEASON SETUP MENU

Created Teams: Play in a league that includes created teams (> p. 16).

Rosters: Play with default team rosters, modified rosters, or run a Fantasy Draft > p. 11).

Mod. Divisions: When ON, re-align the eight NFL divisions and play a Custom Season.

TEAM SELECT SCREEN

Place a check mark in the box of the team(s) that you would like to control during the season by pressing the **X** button. When finished, press the **START** button to advance to the Season menu.

PLAY WEEK MENU

Play Week: From the Play Week menu, you can play or simulate (CPU plays the game) games on the schedule. To play a game, highlight the match-up and press the **X** button. A check mark appears. Press the **START** button to reach the Controller Screen. All games without a check mark are simulated.

NOTE: To spawn a game to your memory card, highlight the game and press the **○** button. When you spawn a game from within a Season, Custom League, or Franchise that game can then be played separately and the results merged back in to the original Season, Custom League, or Franchise. > *Spawning a Game* on p. 19 for more information.

FANTASY DRAFT

If you are playing a Season with this option selected, you can draft players to your roster by selecting individuals available from a pool of every NFL roster. When you are finished drafting your team, begin your season through the Play Week menu.

- To draft a player, highlight the name of a player from the player pool and press the **X** button to add him to your roster (to cycle player positions, press the **L1** button or the **R1** button). The CPU runs the draft for non-controlled teams.
- Press the **START** button any time during the draft and the CPU simulates the remainder of the player selections for the team currently on the clock.

AFTER THE SEASON

After the regular season ends, the playoffs begin. If your selected team(s) fails to make the post-season, you can play or simulate any of the remaining games.

FRANCHISE

Put your franchise to the ultimate test of endurance in up to 30 consecutive seasons.

NOTE: Franchise mode is similar to Season mode. Refer to the Season section to learn more about the Setup menu, Play Week menu, and Fantasy Draft.

TO ADD A NEW COACH:

1. Before you play a game, you must select a coach to run the team. From the Coach Setup menu, press the D-button **↑** to highlight a coach and press the D-button **↔** until HUMAN appears. You can also select NEW to create a new coach. Press the **START** button to accept.
2. Select a team to run and press the **START** button. The Play Week menu appears.
- ❖ **Edit Coach:** The Edit Coach feature allows you to change the strategy of a coach and select the offensive and defensive playbooks. Coaches are also capable of assisting with off-season tasks as well.

POST-SEASON MANAGEMENT

After the end of a season, improve your team by handpicking free agents and through the draft.

POST-SEASON OPTIONS MENU

➤ To begin post-season transactions, press the **START** button after the Pro Bowl has been played. The Season Progress screen appears. Throughout the post-season, press the **△** button to return to the Franchise menu or press the **START** button to proceed to the next off-season stage. Self-explanatory options have been omitted.

Season Progress: Compare a player's attributes from season to season.

Re-Sign Players: Negotiate contracts with players from your own team.

➤ To begin contract negotiations, highlight an unsigned player and press the **⊗** button. Offer a salary and press the **⊗** button to submit the offer sheet. The player either accepts or declines the offer.

Trading Block: Put players from your team on the market to see what other teams offer you.

Create-A-Player: Create a custom player and add him to the free agent list.

Free Agent Signing: Before the draft you have a 45-day period to sign available free agents. You must fit all your players under the salary cap.

TO BID ON A PLAYER:

1. Highlight a player to sign and press the **⊗** button.

2. Select a salary and length of contract, then submit an offer. The player accepts or rejects the offer.

❖ The team name appears by the player's name in the player list when he accepts your offer.

❖ You can start the bidding or outbid another team by offering more than the current offer. After a player signs with a team, the bidding is over.

NFL Draft: Begin the seven-round rookie draft. Each team selects one player per round. If you simulate the draft at any time, your team loses its remaining picks.

❖ You may be able to select more than one player per round if you have traded players for draft picks.

➤ To select a player, press the **⊗** button. To simulate the draft at any time, press the **START** button.

Sign Draft Picks: After the draft, you must sign your draft picks to your roster.

Preseason Schedule: Choose your teams to play a three game schedule.

Preseason Depth: Allows for modification of the roster before the preseason.

Preseason Progression: Compare a player's attributes after the preseason is completed.

CUSTOM LEAGUE

Design a custom league of four to eight teams and participate in a battle for the championship. In terms of setup, Custom League is similar to a Season.

CUSTOM LEAGUE SETUP BOX

Number of Players: Choose 4-8 players.

Format: Choose **ROUND ROBIN** or **DOUBLE ROUND ROBIN**.

Playoff Teams: Select **NONE**, 2, 4, or 8 teams to participate in the playoffs.

Created Teams: Toggle custom teams **ON/OFF**.

Rosters: Choose **DEFAULT**, **MODIFIED**, or **FANTASY DRAFT** rosters.

TO START A CUSTOM LEAGUE:

1. Press the **X** button to proceed to the League Setup screen after you have finished entering your choices at the Custom League setup box.
2. Press the D-button **↔** to choose a team for a highlighted player.
3. Press the D-button **↕** to change the highlighted player.
4. Press the **X** button to enter the highlighted player's name.
5. Press the **START** button to advance to the Custom League main menu when you're finished entering all player information.

OTHER GAME MODES

Compete in a Tournament, hone your skills in Practice, create and defeat a challenging Situation, or take on up to nine friends in a Two Minute Drill showdown.

TOURNAMENT

Compete in a single or double elimination tournament with playoff-like pressure.

TOURNAMENT SETUP BOX

The Setup box in Tournament mode has these additional options.

Tournament Type: Choose a **SINGLE** or **DOUBLE ELIMINATION** tournament.

Num. of Players: Play a 4-, 8- or 16-team tournament.

Mercy Rule: Invoke a mercy rule by setting a point margin differential anywhere from **NONE** to 99 points.

Created Teams: Play the tournament with created teams **ON** or **OFF**.

Rosters: Set to **DEFAULT/MODIFIED/FANTASY DRAFT**.

Randomize Seeds: When **ON**, the top seeds don't necessarily play the lower seeds. The pairings and brackets are randomized.

TO START A TOURNAMENT:

1. After setting the Tournament options, press the **X** button to continue to the Team Select screen. Highlight a player and press the **X** button to enter a name, then press the D-button \leftrightarrow to select a team. Press the **START** button to continue to the Tournament Main menu.
2. To play a game, select Tournament Tree at the Tournament Main menu and press the **START** button on the desired match-up. The Controller Select screen appears.
3. To simulate, spawn, or forfeit a game, press the **X** button.

COACHES CORNER

Perfect your playing style with a specific team's playbook.

TRAINING MODE

With the help of John Madden and his telestrator, get in-depth knowledge of each play and learn how each formation can help you during a game. Madden runs the play first with an in-depth preview, and then it's your turn to take control. You can earn tokens with big plays so pay attention to what Coach Madden has to say.

Training mode consists of a total of 18 plays and six formations. The more yards you gain, the more points you will earn. You run each play a maximum of five times.

NOTE: You must select a User Profile to access Training mode.

TEAM PRACTICE

Load up a team's playbook and master its plays, or run a single play over and over against or without a defense.

TEAM PRACTICE SETUP MENU

Team: Select a team to control.

Playbook: Choose a playbook from any of the 32 current NFL teams.

Profile: Practice with or without a player profile.

Control: Control **OFFENSE**, DEFENSE, KICK, or KICK RETURN teams.

Play Info: Display the play selection for both the offense and defense or toggle **OFF** for a full view of the field.

Defense: When controlling the offense, you have the option of running your plays with or without a defense on the field. Default is **ON**.

\rightarrow To call a new play, press the **R2** button.

\rightarrow To re-spot the ball press the **L2** button and then position it by pressing the D-button.

\rightarrow To run a play, press the **X** button.

SITUATION

Customize your own challenging situations or work your way through some of the greatest games of all time.

SITUATION SETUP

TO SELECT YOUR SITUATION SETTINGS:

1. Press the D-button \leftrightarrow to change highlighted setting.

2. Press the D-button  to choose new setting to change.
3. Press the **START** button to advance to the Controller Select screen when finished choosing situation settings. Continue through the User Options screen to start a game as you would in an Exhibition Game (*> Starting an Exhibition Game on p. 8*).

GREAT GAMES

Participate in 14 of the greatest football games ever. Each consecutive win unlocks the next Great Game.

TWO MINUTE DRILL

Time is short. Test your mettle in the final two minutes of a game. Pulling off huge plays earns you massive points.

TWO MINUTE CHALLENGE

Up to 10 players can participate. After a score, you get the ball back, as long as there is still time on the clock.

TO START A TWO MINUTE CHALLENGE:

1. Press the **L1** button or **R1** button to change the number of players.
2. Press the **L2** or **R2** button to cycle through defensive teams alphabetically.
3. Highlight a player and press the  button to enter a name, then press the D-button  to select a team.
4. Press the **START** button to get to the field.

HEAD-TO-HEAD CHALLENGE

In a Head-To-Head Challenge, compete against a friend to see who has more guts in those last two minutes.

MADDEN CLASSIC

For the nostalgic, play the original 16-bit classic that launched *Madden NFL Football* into fame.

CUSTOM OPTIONS

Use Custom Options to setup a User Profile, create a team, modify rosters, and access the Play Editor.

USER PROFILES

Keep your created plays and favorite teams ready for any game with a User Profile.

USER PROFILE MENU

The User Profile function allows you to edit playbooks and substitutions. From the User Profile menu you can select one of three User Profile teams, set your audibles, select your player substitutions, compare your User Profiles against other user records, and save user profiles.

CREATE-A-TEAM

From the Create-A-Team menu, you can select a team nickname, logo, and uniform, choose a city to represent, create a stadium type, and more.

ROSTERS

Rosters allow you to set up your depth chart at every position, trade players from team to team, sign free agents, release players, and create, edit, and delete custom players.

PLAY EDITOR

Create up to six offensive and six defensive plays for your playbook.

TO CREATE A PLAY FOR YOUR USER PROFILE TEAM:

Select CREATE PLAY to access the Play Editor menu, and then

- 1.** Select CREATE NEW PLAY.
- 2.** Select offense run, offense pass, or defense from the pop-up box, and then select a formation and set. The team lines up in formation with a star under the first player.
- 3.** Select the type of assignment from the available choices, and then select the play assignment. A diagram appears for each available assignment.
- 4.** To accept the highlighted player's assignment, press the  button and the star moves to the next player.
- 5.** Repeat until each player has an assignment and press the **START** button. The Play Editor menu appears.

- To Practice the new play, select RUN CURRENT PLAY.
- Select SAVE CURRENT PLAY to save your created play to your User Profile.

MADDEN CARDS

Earn tokens for each Madden Challenge task completed and use tokens to buy Madden Cards. Activate one of six types of cards (Current Players, Historic Players, Teams, Stadiums, Cheats, and Cheerleaders) to give your game a boost, or initiate a trade to pick up that coveted card.

RATING SYSTEM

There are four categories in which Madden Cards are rated: **(1) Power**, indicates how “strong” a card is; **(2) Value** determines the number of tokens you receive when you sell a card; **(3) Rarity**, tells you the odds of getting a particular card; and **(4) Life** equals the life expectancy of a card (unlimited or once).

CHALLENGE STATUS

Tasks Completed: Percent of tasks completed at a particular level.

Tokens Current Total: Total number of Madden tokens for that user.

Level Select: View one of five Challenge Levels.

Token Scale Table: Check the number of tokens earned on each skill level for completing a task.

Challenge Task Table: List of tasks for selected level. The token scale has a highlighted box around the particular level a task has been completed at.

- Cycle through one of four User Profiles by pressing the **L1** button or the **R1** button.

CARD BOOK

View the cards you have collected or buy new packs.

TO TRADE A MADDEN CARD:

- 1.** From the Madden Cards Main screen, choose TRADE CARDS. The Trade Cards screen appears.
 - 2.** Select the User Profile from which to trade a card by pressing the **L1** button or the **R1** button.
 - 3.** To scroll through available cards, press the D-button \leftrightarrow , then press the \otimes button to select the highlighted card. Press the \otimes button while viewing the card to add it to the trade (you can include up to three cards in a trade).
 - 4.** The second player repeats this process for their User Profile.
 - 5.** When all cards have been added to the trade proposal, press the **START** button to initiate the trade. A pop-up screen prompts you to confirm the trade. To accept, highlight YES and press the \otimes button. You can sell back a Madden card to recoup tokens.
- Activate a card to reap its benefits. Flip a card by pressing the \odot button, after it has been selected, to see its attributes.

TO PLAY OR SELL A MADDEN CARD:

1. From the Card Book screen select a card to sell by highlighting it and pressing the **X** button. The View/Activate Card screen appears.
 2. Choose either ACTIVATE CARD or SELL CARD BACK and press the **X** button. The Card Book screen reappears. A little blue box appears around current player and cheat cards after they're activated.
- To deactivate a card before the start of a game, select it again in the Card Book and press the **X** button. The View/Activate Card screen then gives you the option to deactivate it.
- ❖ Madden Cards can only be risked in 2-Player games where each player is using a User Profile (and has cards to wager).

TO RISK A MADDEN CARD:

1. From the Controller Select screen, press the **X** button to access User Options.
 2. Select a User Profile if one is not already in use.
 3. Highlight Madden Cards: Risk and press the **X** button. The Risk Cards screen appears.
 4. Select a card as you would in a trade and then press the **START** button to initiate the wager.
 5. At the pop-up window, confirm that you wish to risk these cards to return to the Controller Select screen.
- ❖ The player who wins the game, wins the cards! (If a game is aborted, all bets are off.)

SETTINGS

Gameplay: Change game settings including quarter length, skill level (ROOKIE level is for beginners, **PRO** is for low-intermediate players, ALL-PRO for high-intermediate, and ALL MADDEN is for experts), salary cap, momentum, and more.

➤ A blue asterisk appears in Global settings next to any setting that has been changed on any other settings page.

Customize AI: Choose **NORMAL**, AGGRESSIVE, or CONSERVATIVE strategies for Offense. Select from **NORMAL**, BLITZ, or ZONE for Defense. Set the balance of running vs. passing.

Penalty Settings: Set the frequency of penalties called with the penalty sliders.

Sound Options: Adjust volume levels for music, sound effects, commentary, and crowd. Also select **Dolby™ Surround**, stereo, or mono output.

Menu Music Select: Select tracks from the various artists of *Madden NFL 2004*.

Controller CFG.: Choose one of five controller configuration setups.

MEMORY CARD (SAVING AND LOADING)

Save or load a Franchise, Season, Tournament, Custom League, Settings, or a Spawned game.

NOTE: Never insert or remove a memory card when loading or saving files.

TO SAVE/LOAD A FILE:

- 1.** From the Main menu, select MEMORY CARD to get to the Load/Save Game screen.
- 2.** Highlight SAVE NEW, OVERWRITE, or LOAD and press the **X** button.
- 3.** When loading a file, use the D-button to highlight a file and press the **X** button.

NOTE: You need to select a file and press the **X** button a second time when using OVERWRITE.

SPAWNING A GAME

Take one game from a multiplayer Custom League, Franchise, Season, or Tournament, and save it to a memory card to play separately on a different PlayStation game console and without the other player(s). The results can then be merged back into the original format.

- To spawn a game in Season or Franchise, press the **○** button at the Play Week screen.
- To spawn a game in a Tournament or Custom League, press the **X** button to bring up the Options pop-up menu and then choose SPAWN from the list of options.

TO LOAD A SPAWNED GAME:

- 1.** From the Memory Card menu, load the file listed as a SPAWNED GAME.
 - 2.** Press the **X** button and the Controller Select screen appears.
 - 3.** Begin the game like you would in Exhibition mode.
 - 4.** After the game is complete, save the Spawned game again.
- After completing the spawned game, confirm that you would like to save the results. You can merge the spawned game by reloading the original season, selecting MEMORY CARD, and then loading the appropriate Results file.

LIMITED 90-DAY WARRANTY

ELECTRONIC ARTS LIMITED WARRANTY

Electronic Arts warrants to the original purchaser of this product that the recording medium on which the software program(s) are recorded (the "Recording Medium") and the documentation that is included with this product (the "Manual") are free from defects in materials and workmanship for a period of 90 days from the date of purchase. If the Recording Medium or the Manual is found to be defective within 90 days from the date of purchase, Electronic Arts agrees to replace the Recording Medium or Manual free of charge upon receipt of the Recording Medium or Manual at its service center, postage paid, with proof of purchase. This warranty is limited to the Recording Medium containing the software program and the Manual that were originally provided by Electronic Arts. This warranty shall not be applicable and shall be void if, in the judgment of Electronic Arts, the defect has arisen through abuse, mistreatment or neglect.

This limited warranty is in lieu of all other warranties, whether oral or written, express or implied, including any warranty of merchantability or fitness for a particular purpose, and no other representation of any nature shall be binding on or obligate Electronic Arts. If any such warranties are incapable of exclusion, then such warranties applicable to this product, including implied warranties of merchantability and fitness for a particular purpose, are limited to the 90-day period described above. In no event will Electronic Arts be liable for any special, incidental, or consequential damages resulting from possession, use or malfunction of this Electronic Arts product, including damage to property, and to the extent permitted by law, damages for personal injury, even if Electronic Arts has been advised of the possibility of such damages. Some states do not allow limitation as to how long an implied warranty lasts and/or exclusions or limitation of incidental or consequential damages so the above limitations and/or exclusion of liability may not apply to you. In such jurisdictions, the Electronic Arts' liability shall be limited to the fullest extent permitted by law. This warranty gives you specific rights. You may also have other rights that vary from state to state.

RETURNS WITHIN THE 90-DAY WARRANTY PERIOD

Please return the product along with (1) a copy of the original sales receipt, showing the date of purchase, (2) a brief description of the difficulty you are experiencing and (3) your name, address and phone number to the address below and Electronic Arts will mail a replacement Recording Medium and/or Manual to you. If the product was damaged through misuse or accident, this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period. We strongly recommend that you send your product using a traceable delivery method. Electronic Arts is not responsible for products not in its possession.

RETURNS AFTER THE 90-DAY WARRANTY PERIOD

If the defect in the Recording Medium or Manual resulted from abuse, mistreatment or neglect, or if the Recording Medium or Manual is found to be defective after 90 days from the date of purchase, please return the product along with (1) a check or money order for \$15.00 made payable to Electronic Arts, (2) a brief description of the difficulty you are experiencing and (3) your name, address and phone number to the address below, and Electronic Arts will mail a replacement Recording Medium and/or Manual to you. We strongly recommend that you send your product using a traceable delivery method. Electronic Arts is not responsible for products not in its possession.
