GOTHAM GAMES

**WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**USE OF UNOFFICIAL PRODUCT:**

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

**HANDLING YOUR PLAYSTATION DISC:**

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

### "ROAD TRIP COAST TO COAST"

- Jump into your RV for a wild ride across the USA with your tour guides Chuck and Cindy.
- Zoom through peak hour on the Golden Gate Bridge, head down to get totally ripped on Muscle Beach, then dive in to catch some big waves surfing USA.
- Dodge the speed traps on Route 66, then take a pit stop at the roadside diner—but don't order the Salmonella Special!
- Swing by Vegas to play for the jackpot, or pan for gold in the old mines, then cool off taking the ride of your life down the whitewater rapids!
- Check out the tourist spots in the Big Apple and snap some pics for your photo album.

It's a road trip you'll never forget!

### "AMERICA ON DUTY"

- Uncle Sam needs you! Help the US armed forces to fight for freedom on air, land and sea!
- Travel back to the Civil War to destroy the Confederate cannon.
- Down periscope! Track the enemy subs with your sonar and take them out with your torpedoes.
- On the deck, Private! The Drill Instructor will sort you out at boot camp.

- Lead the Marine Corps to reclaim the woods of Hill 142.
- Airlift the wounded from Heartbreak Ridge back to the MASH for surgery.
- Bogies are overhead! Scramble your fighters from the deck of the aircraft carrier, then lead a B17 bombing run on the enemy tanks.

We're counting on you!
