WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNOFFICIAL PRODUCT:

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

HANDLING YOUR PLAYSTATION DISC:

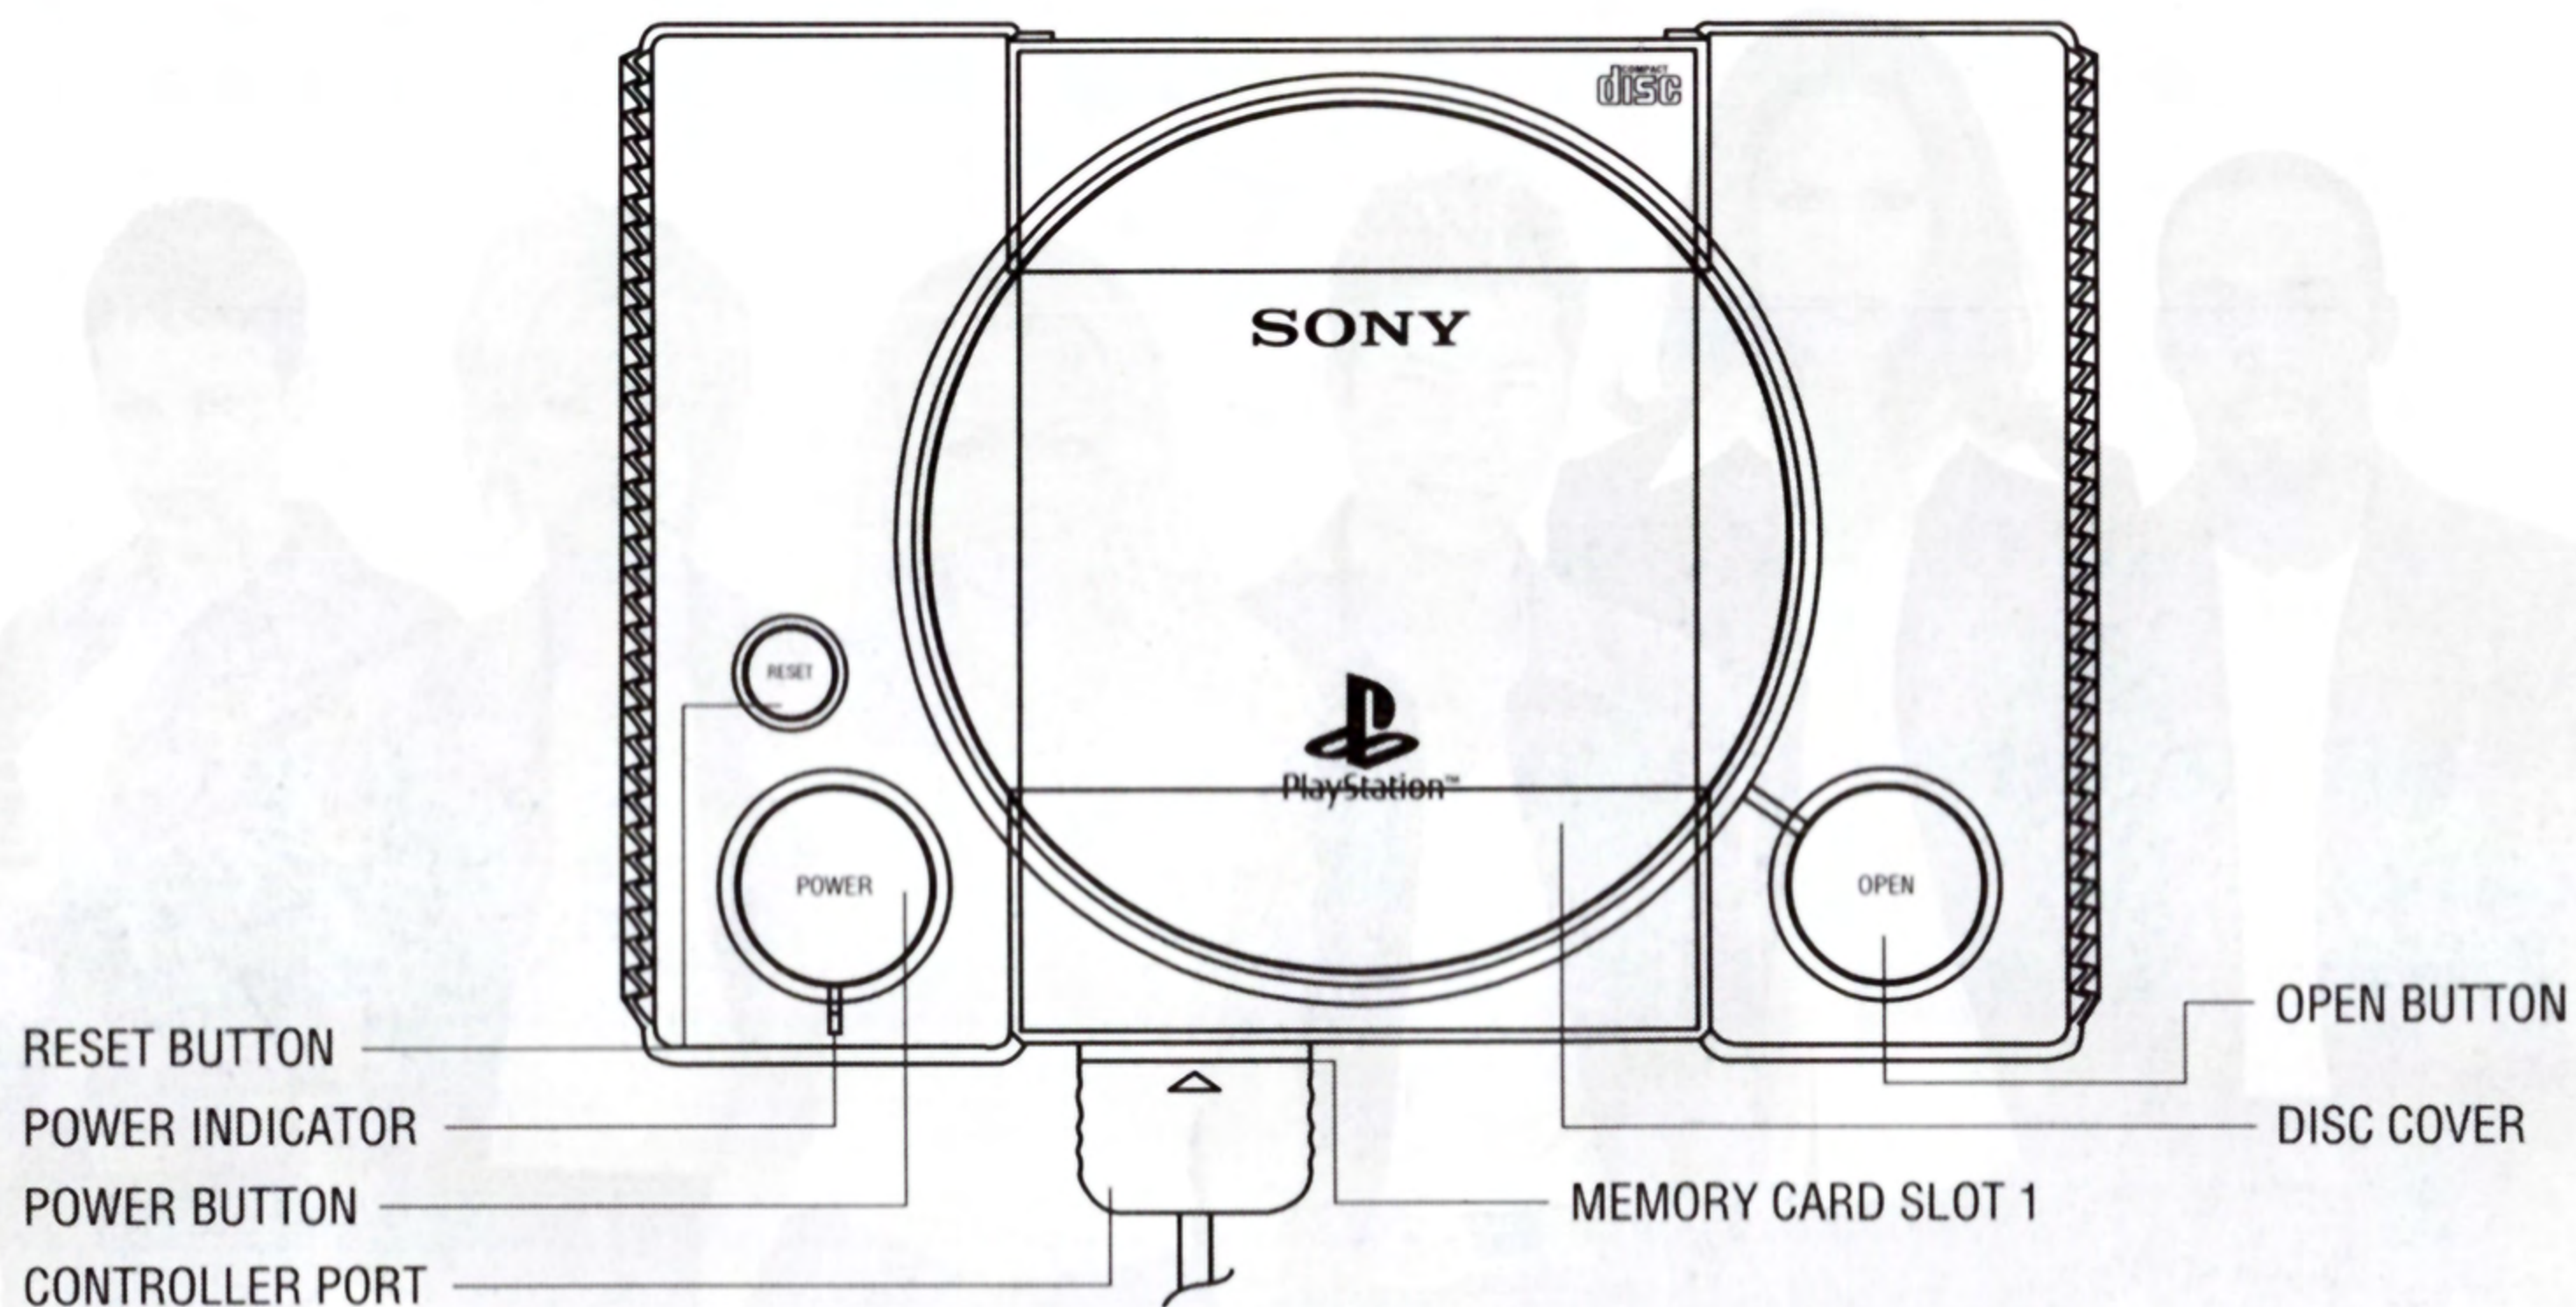

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it or submerge it in liquids
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

GETTING STARTED

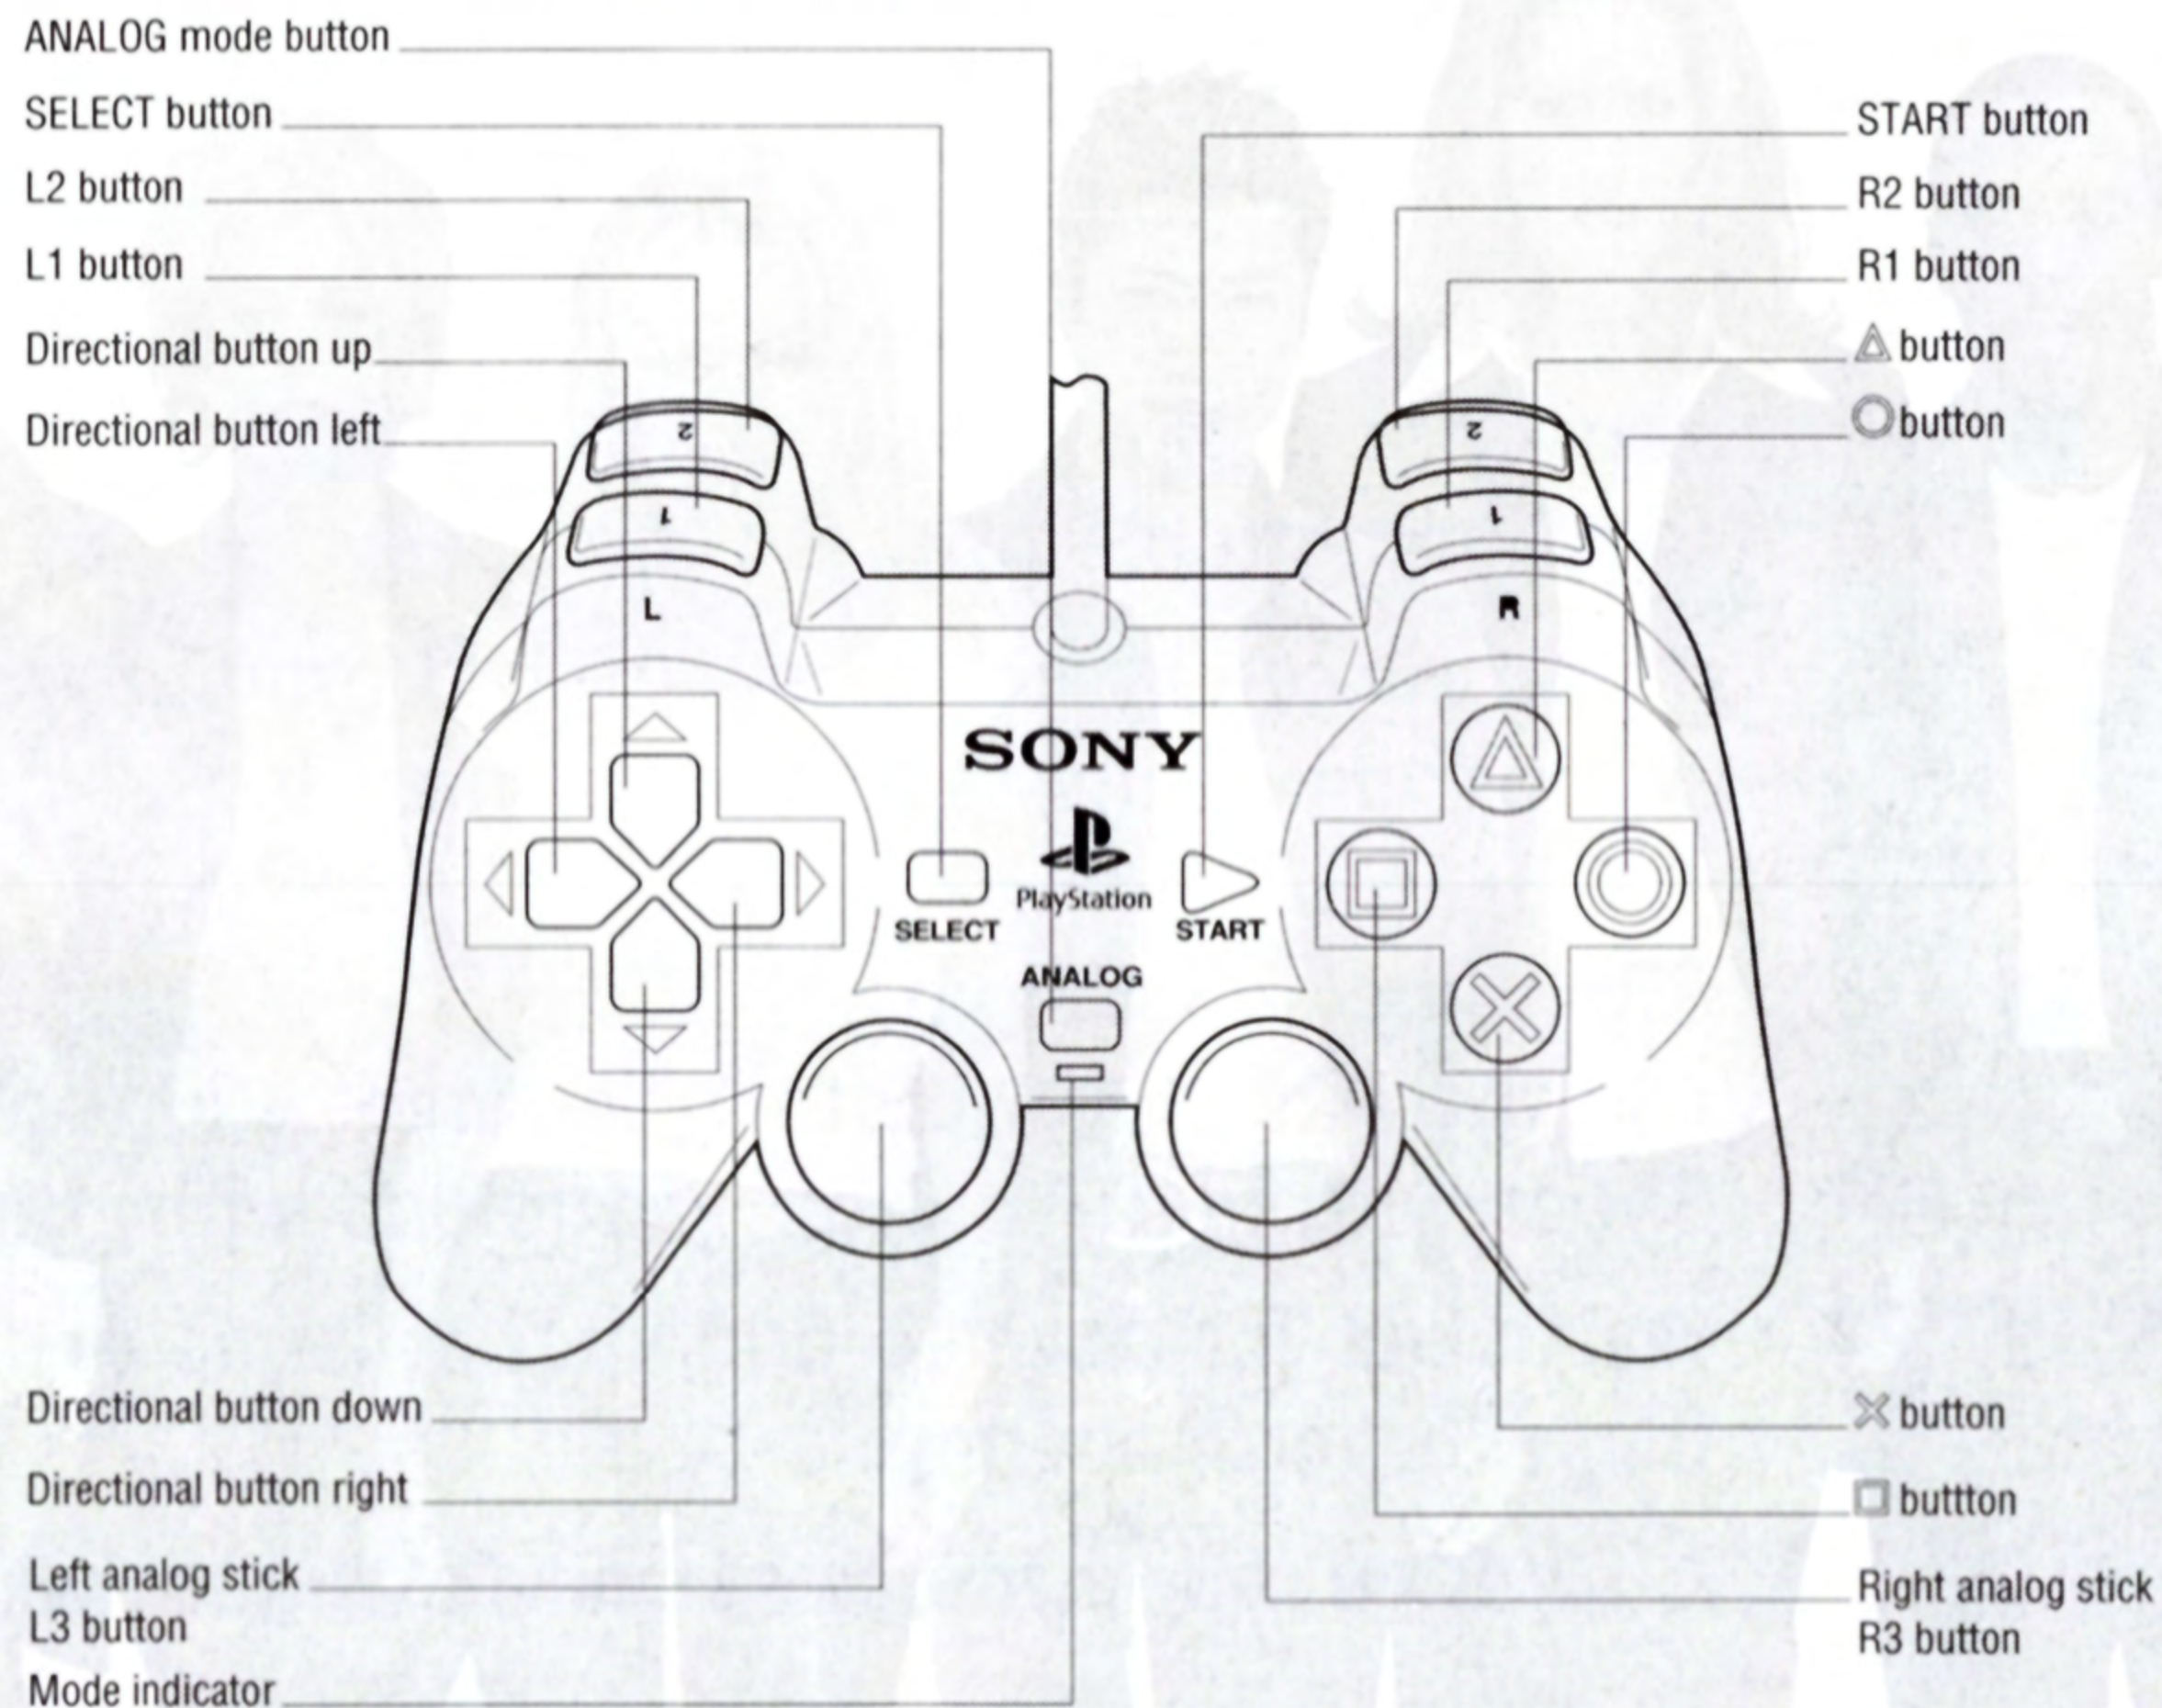

Set up your PlayStation® game console according to the instructions in the instruction manual. Make sure the power is off before inserting or removing a compact disk. Insert the “V.I.P.” game disc and close the disc cover. Insert game controller and turn on the PlayStation® game console. Follow the on-screen instructions to start the game.

MISSION CONTROL

DUALSHOCK™ analog controller

Controlling the menu

Use the Directional buttons to navigate the menu. Press the × button to confirm the selection, and press the Δ button to return to the previous menu.

Controlling the game

Different types of control configurations are required for different parts of the “V.I.P.” game. Therefore, be quick minded, and be prepared to defeat the bad guys.

THIS GAME REQUIRES GOOD REFLEXES AND RHYTHM!

MISSION OBJECTIVES

Close Combat

Make your character confront by quickly entering the combination you see on the screen.

According to what appears on the screen, input the sequence of buttons to defeat the bad guys. You have very limited time to press the keys.

If you succeed, your character will promptly confront all opponents until they are beaten.

Shooting and Sniping

Use the Directional buttons to target your opponents. Shoot with the \times button and reload with the \odot button.

Watch out for clues to find special items and shoot them to finish the level.

\square **button:** Move the cross-hair to target the enemy.

\times **button:** Pull the trigger to shoot the bad guys, or throw various items.

\odot **button:** Reload your gun.

Mini-game

Mini-games are small missions which help you to explore the game further. Each mini-mission will have its particular requirement on controller input.

Just follow the instructions displayed on the screen, stay cool and perform the actions within the given time.

INTRODUCTION TO THE V.I.P. GAME

Based on the popular TV series, V.I.P., the V.I.P. game for the PlayStation® game console is a very fast-paced action/adventure and shooting game.

Acting as member of the famous V.I.P. team, you can punch, kick, and shoot the bad guys in an effort to protect your client. There are also many small missions awaiting you to accomplish.

SO PICK UP YOUR WEAPON, AND START FIGHTING!

BRIEFING

Val and her team get involved in a mobster vendetta when they accept a mission to protect Dr. Kindle, a not-so-respectable Hollywood aesthetic surgeon. Overwhelmed by the numerous men of Don Macabre, they decide to move against him to neutralize the threat over Dr. Kindle. Unfortunately, while half the team takes care of Don Macabre, Val and the client are captured, and that's where the trouble starts.

GAME MENUS

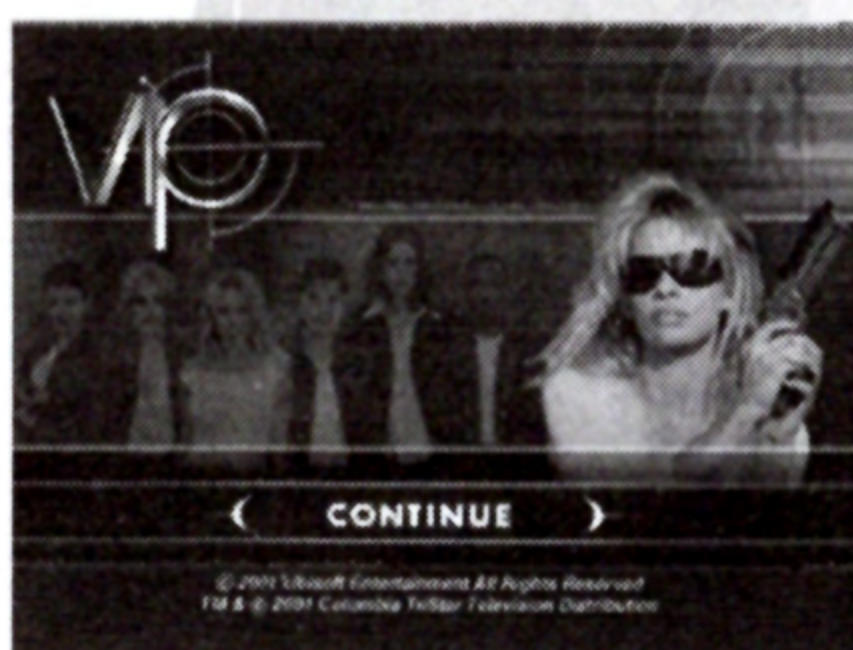

MAIN MENU

This is the menu you will see whenever you start up the game. Four choices are available. They are:

New game

When the player chooses the **GAME START** button, the whole screen fades out and the game will start from the very beginning.

Continue

This function lets you choose from previously saved games.

Gallery

The “Gallery Section” is the place where you can buy rewards with your hard earned money. Everything the player buys will be saved with each saved game.

This menu includes 2 options. One is the photo gallery, the other is the movie cinema.

Photo gallery

In photo gallery the player can use their score to buy a photo. All of the photos bought can be enlarged.

Movie gallery

In the movie gallery the player can use their score to buy a movie segment. All bought movies can be played freely.

OPTION MENU

This function provides adjustment options for graphics, sound and vibration.

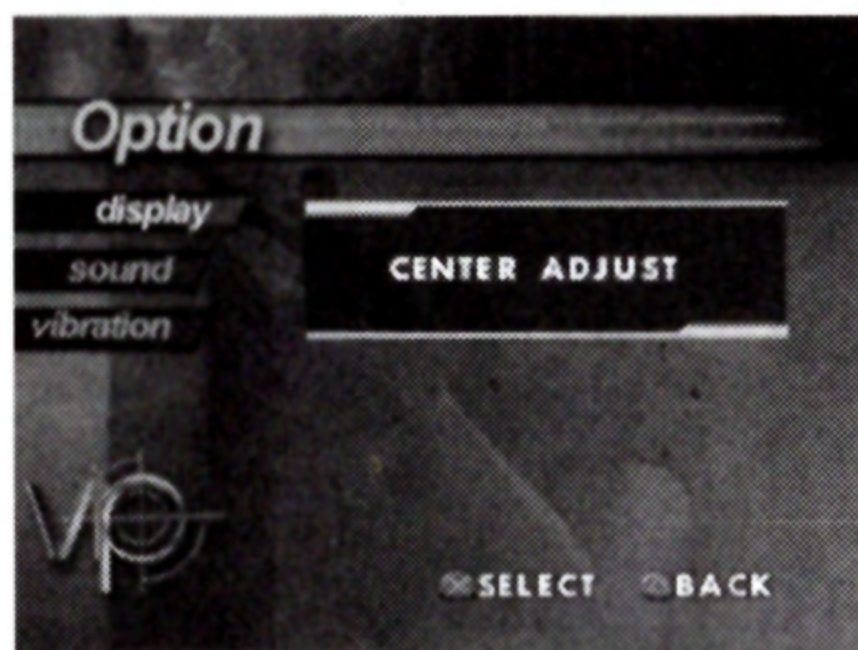

When the player selects the **OPTIONS MENU**, the game will allow the player to configure system settings:

Sound

Choose Stereo or Mono for the sound output format. Adjust the overall volume of music or sound effects.

Display

Press the Directional buttons in any direction to position the picture on your TV screen. Press the \times button to confirm, and press the \triangle button to return to the default configuration.

Vibration

Choose vibration **ON** or **OFF** for the vibration function on your DUALSHOCK™ analog controller.

PAUSE MENU

The Pause Menu will appear when the player presses the **START** button in a level or the controller is disconnected in a level

When the game is paused, a **PAUSE MENU** pops up with selections for:

Resume: Return to the game

Quit: To quit the current level and return to the main menu page

Sound: To adjust the sound volume

Vibration: Vibration on or off (if you are using a DUALSHOCK™ analog controller)

SAVING THE GAME

WHERE TO SAVE

Each level will be divided into several parts with **CHECKPOINTS**. The game will prompt you to save progress when passing the **CHECKPOINTS**. The following menu appears when the player passes several levels. It provides the special function and save function.

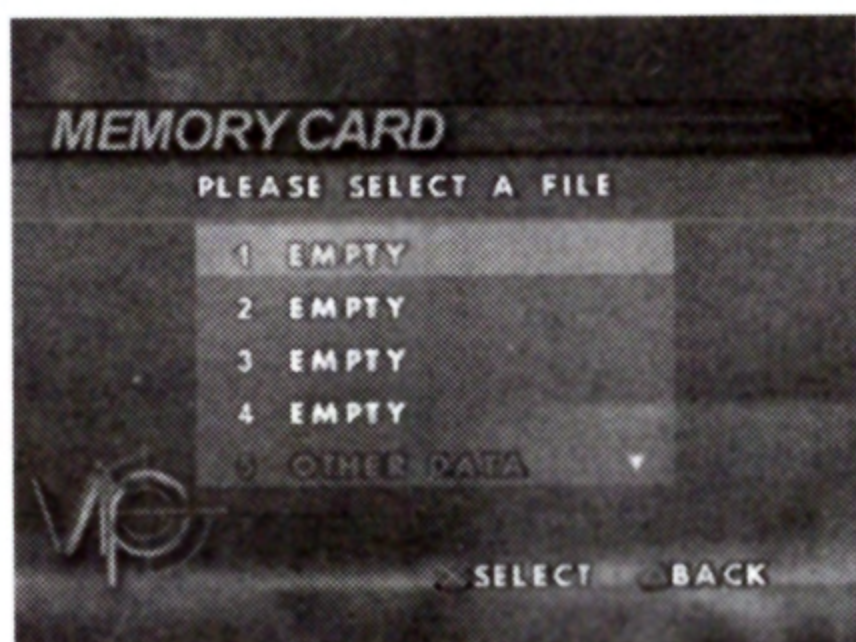

HOW TO SAVE

When passing the saving point, the game will ask you whether you want to save your game or not. Choose yes or no, then choose a **MEMORY CARD** slot, and save a new record or replace an old record.

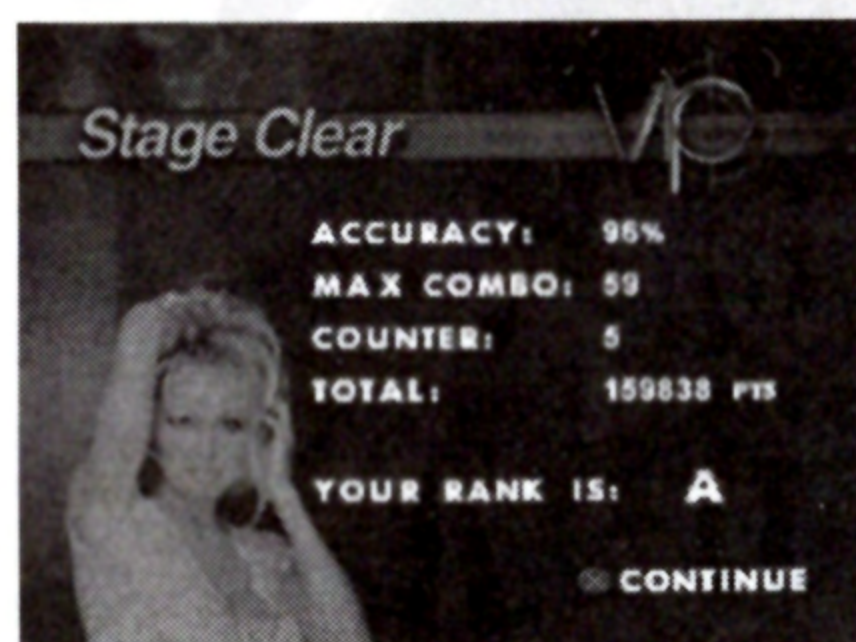

The player should choose which slot he wants to use.

WHAT TO SAVE

- Your current location.
- Total credibility points you have gained.
- Option settings that you have made in the menu.
- The goods you bought in the special mode.
- Then choose the correct save date to load.

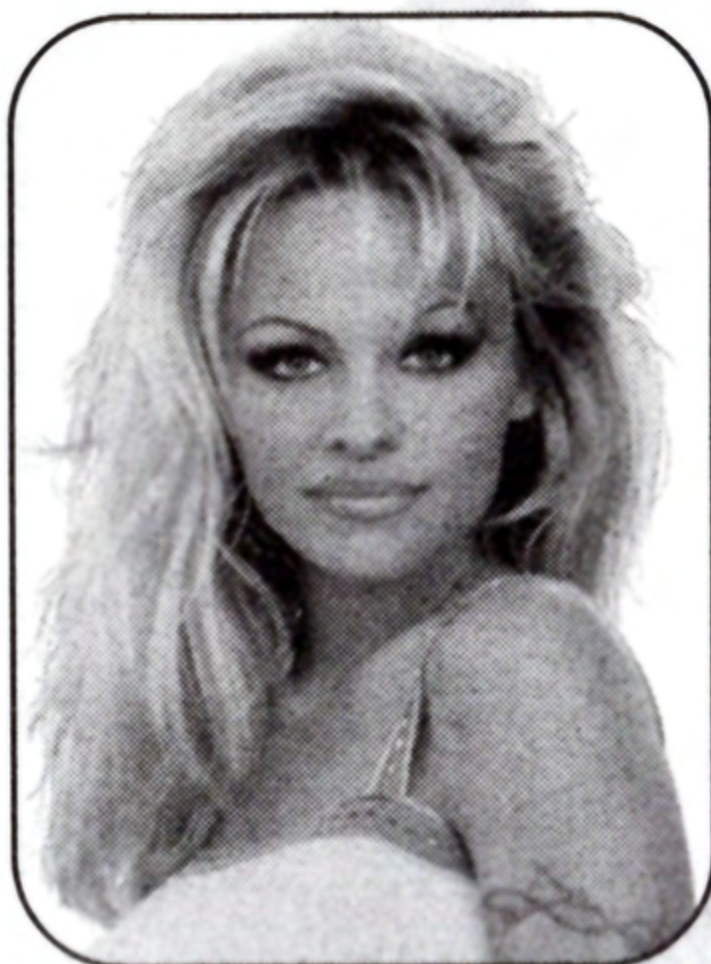

RANKING SYSTEM

When a player finishes several levels they are taken to the ranking screen. Scores achieved during the game will be displayed here.

CHARACTERS

THE V.I.P. TEAM

Vallery Irons

She is constantly referred to as “beautiful and lethal” because that’s how she’s perceived. In actuality, she’s a small town girl who came to Southern California looking for a break only to end up as the unlikely figurehead of an elite bodyguard agency – V.I.P. (Valley Irons Protection). Although she hates guns, Val couldn’t refuse the large expense account, beautiful clothes and fast cars that she was offered in exchange for becoming the agency’s figurehead. Val’s fun-loving and carefree attitude, combined with her sense for fashion, ensure that there’s never a dull moment when she’s around.

Tasha Dexter – *Veteran Operative*

Tasha is the “elitist” of the V.I.P. team. She’s a real-life female version of James Bond. She is an experienced bodyguard and an ex-spy... which explains her evasiveness and serious disposition. She’s intelligent, highly skilled, and a dead aim.

Nikki Franco – *Explosives & Fast Cars*

Nikki's expertise with guns, fast cars and explosives lends extra muscle to the V.I.P. team. She is absolutely fascinated by bombs and often spends precious time curiously examining them before they are set to explode. Nikki is street smart, tough and someone you don't want to cross. Luckily for V.I.P... she decided not to follow in the tracks of her mob relatives.

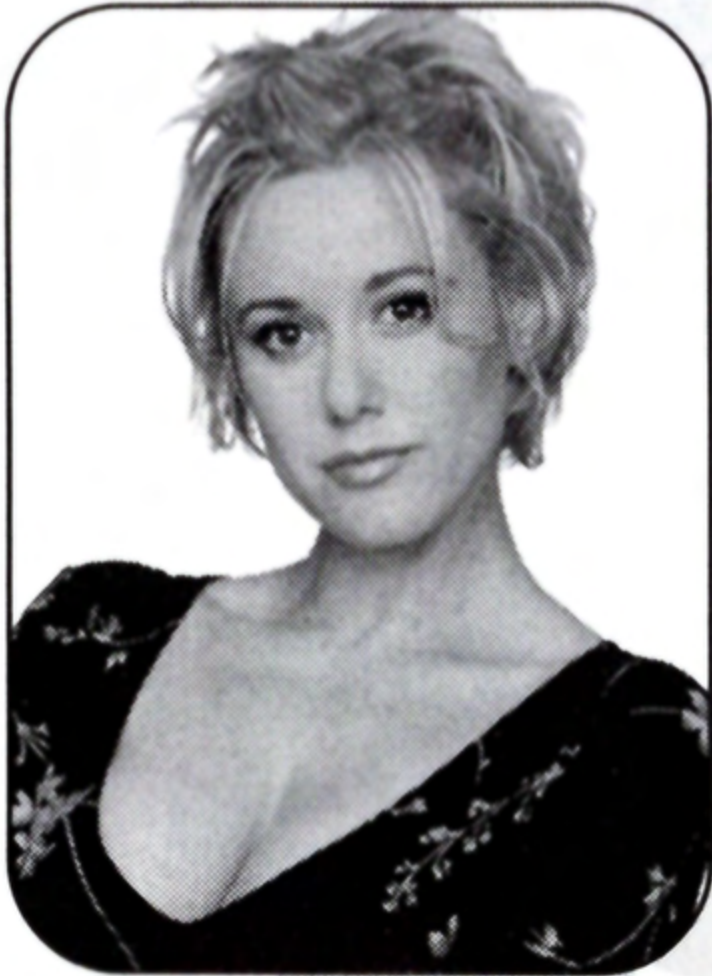

Quick Williams – *Hand-to-Hand Combat*

Quick is an ex-boxer with a mean right hook. He grew up on the streets and thinks on his feet. Quick is handsome, a sharp dresser, and has an eye for the ladies. One round with him and you'll be down for the count.

Johnny Loh — *Martial Arts*

Johnny loves motorcycles and fast cars. He has a zen-like quality and is a man of few words. His quick reflexes, athletic ability and skill make him a lethal weapon in the V.I.P. arsenal.

Kay Simmons — *Computers & Communications*

Kay is the brains of the team. She can hack into any computer system, track down any lead and obtain crucial data – all while holding down the fort at the V.I.P. headquarters. She has a passion for crime solving and loves the excitement of “the chase.”

THE BAD GUYS

Don Macabre (the Godfather)

As a Mafia leader, he is strict, overly shrewd, harsh about his 'gang rules' and a man of very few words. He also is very much a family man who cares for his spoiled son and his beloved young wife more than anything.

Nuke

A heavy weapon fanatic and a veteran of the special forces, he loves to blow up everything, including his boss' brand new car — he is the definition of "RECKLESS" and "DUMBHEAD". He always behaves as if he were still on a battlefield. He may be slow but he is certainly destructive and very hard to capture, you better make sure he really is down.

Hornet

The stealthiest member of the group, Hornet was brought up by a very poor but religious family. After rejecting their beliefs and turning to a life of crime on the streets he was taken in by the Don and subsequently has a lot of loyalty toward him. He still has pretty good contacts with the local hooligans.

Jumbo

A huge guy, seemingly lame and slow but he is actually cool, calm and at times overly thoughtful. So thoughtful he has always wanted to one day be a philosopher... this makes him one of the truly attention-worthy foes. He doesn't give a damn about martial arts or boxing skills but he knows how to blow away his opponents using some of the most destructive and effective moves. His only drawbacks are that he makes such a big target and he can hardly move unnoticed anywhere.

Fear

'Fear' is not called fear for nothing! He came from a remote forest in Australia where he practiced his primitive survival and killing skills. He is a cold steel weapon expert and trap master, but is truly a funny and energetic guy.

Goon

No special personality and look, a generic and nameless bad guy.

THE CLIENT

Doctor Kindle

No one has the slightest idea how much money Doc Kindle has made throughout the years. But it must be enough for him to afford a house in Beverly Hills and a sparkling exotic car. He has made a name not just for his first class surgical skills but his greedy face during money talks. Under the kind commercial smiles he is a material, selfish, shrewd, daring and ambitious guy. He is 29, and single but has no time for women. He only tells right from wrong when he has to.

PICK UPS

PICKUPS

DIAMOND OBJECT:

Yellow diamond

These diamonds are very important to increase your score during gameplay. Each yellow diamond will add 1000 points to the score. The more diamonds you pick-up, the higher your score. Player must earn enough points to unlock images in the gallery; points are exchanges for images.

Perfect green diamond

Recovers energy fully.

Normal green diamond

Medium health recovery.

Small green diamond

Small health recovery.

Power-up diamond

This item will increase the power of your attacks.

Proof of Purchase

UBI SOFT LIMITED WARRANTY

Ubi Soft warrants to the original purchaser of its products that the products would be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. Ubi Soft products are sold "as is", without any expressed or implied warranties of any kind, and Ubi Soft is not liable for any losses or damages of any kind resulting from use of its products. Ubi Soft agrees for a period of ninety (90) days to either replace defective product free of charge provided you return the defective item with dated proof of purchase to the store from which the product was originally purchased or repair or replace the defective product at its option free of charge, when accompanied with a proof of purchase and sent to our offices postage prepaid. This warranty is not applicable to normal wear and tear, and shall be void if the defect in the product is found to be as a result of abuse, unreasonable use, mistreatment or neglect of the product.

LIMITATIONS

This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubi Soft. Any implied warranties applicable to Ubi Soft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. In no event will Ubi Soft be liable for any special, incidental, or consequential damages resulting from possession, use, or malfunction of Ubi Soft products. Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages. So the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights that vary from state to state.

NOTICE

Ubi Soft reserves the right to make improvements in its products at any time and without notice. Refunds Ubi Soft cannot provide refunds or otherwise process returns for credit of any kind other than an identical product replacement. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only.
