**WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**USE OF UNOFFICIAL PRODUCT:**

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

**HANDLING YOUR PLAYSTATION DISC:**

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

## SETTING THE PARAMETERS FOR A GAME OF CHESS

This chess simulation lets you edit a game according to your own parameters. From the main menu select the "**Game**" option to access the parameter settings menu.

The edit parameters available are listed below:

- **Human/Computer White:**

Determines who plays White

- **Human/Computer Black:**

Determines who plays Black

- **Openings library:**

Garry Kasparov's openings are among the best and most imaginative in the world. From the library choose the types of opening you want, taken directly from Kasparov's repertory.

There are two different classifications: category and date.

**Category:**

Normal mode:

The Normal mode provides access to a more varied type of openings than the tournament mode.

Tournament mode:

In this mode, the best possible move is played, i.e. the move Kasparov would have played.

Blitz mode:

This mode offers a wide variety of styles as well as special traits, specific to Garry Kasparov.

**Date:**

Before 1985

Between 1985-1990

After 1990

**- Beginner mode:**

If, as a beginner, you select this mode, the computer will indicate on the board all the different moves that are possible for each individual piece.

**- Indicator:**

If you are playing with one of the 2D boards, this option lets you display the last move made on the board.

**- Clocks:**

Activates or deactivates the chess clocks during the game.

**- Set up position:**

Allows you to arrange pieces on the board in whatever configuration you want, to remove pieces (see buttons and Functions/buttons during a change of position), and to activate the following menu: (see next page)

**Change Position:**

Returns to the "Edit Position" menu

**White/Black To Play:**

Determines who starts the game  
During a game, determines whose  
turn to play

**White Castles Queen's Side:**

Determines whether White  
is allowed to castle on the  
Queen's Side

**White Castles King's Side:**

Determines whether White is allowed  
to castle on the King's side.

**Black Castles Queen's Side:**

Determines whether Black is allowed  
to castle on the Queen's Side

**Black Castles King's Side:**

Determines whether Black is allowed  
to castle on the King's side

**OK:**

Confirms your choice and starts the game

**Cancel:**

Returns to the game by cancelling the choice  
of parameters

During the Load/Save Game menus, you can use the following buttons:

- $\triangle$  button to cancel an action
- X button to validate an action, or select a game
- Up or Down directional buttons to select "Yes" or "No", or move the cursor up or down

### **SELECTING A PLAYING LEVEL**

You have a choice of 23 playing levels.

### **SETTING PREFERENCES**

Select "Preferences" from the main menu to set the general parameters for chess simulation.

- Sound volume: Sets the volume level for the sound effects
- Music volume: Sets the volume level for the background music
- Music: Selects from the choice of music available
- Subtitles: Adds subtitles to the video sections.

# CHESS TUTORIAL

Select "**Tutorial**" from the main menu to access the virtual way of learning chess with Garry Kasparov.

This chess simulation features a Tutorial with some fifty lessons on the basic aspects of chess: the chessboard; the pieces; the rules of the game; starting a game; tactics and strategies; main checkmating positions; and the end game.

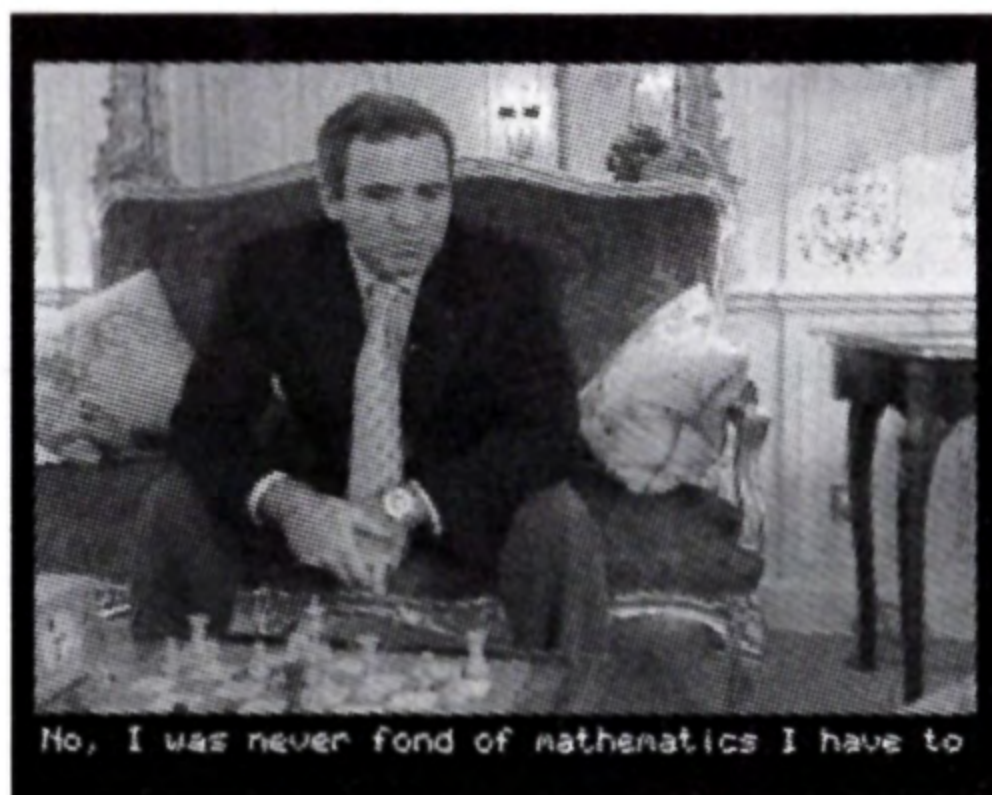

Practice under the watchful eye of Garry Kasparov, who will certainly intervene and comment your ability to solve the chess exercises included in the Tutorial.

The Tutorial also contains analyses of chess games to illustrate the theory with real-life examples. You have a choice of nine commented games, three games by Grand Masters such as Lasker, Botvinnik and Spassky, as well as three Queen sacrifices.

# GARRY KASPAROV

We also offer an exclusive "interview" with the world's chess champion.

The Kasparov chess simulation features a whole section dedicated to the history of chess and its great champions. Select "**Kasparov**" from the main menu to access the various topics.

Choose "**Biography**" to access a detailed illustrated biography of Garry Kasparov.

**X button:** To select a page in the summary, or go to a commented game when possible

**△ button:** Go back to the previous menu

**Left or Right directional button:** To change current page  
**L1 button, R1 button, L2 button, R2 button or Up/Down directional buttons** to scroll text

# GAMES

Select "**Games**" to obtain more than fifty chess games by Garry Kasparov, complete with commentary and explanations.

## CHESS CHAMPIONS

Under "**Chess Champions**" you will find comprehensive information on twelve champions who have marked the history of chess. Find out everything you need to know about Karpov, Lasker, Fischer, Petrosian, Steinitz, Capablanca and many other chess celebrities. For each player you will find an illustrated biography and an analysis of one of their best games.
